

HOMES 301

Implementing the LEED for Homes Rating System

WHEN & WHERE

October 21, 2011 - Detroit
8:30 am - 5:00 pm at 71 Garfield Ilc.

October 28, 2011 - Indianapolis
8:30 am - 5:00 pm location TBD

November 11, 2011 - Chicago
8:30 am - 5:00 pm at Merchandise Mart

HOSTED BY

In today's business, LEED is the language of green. Learn how to apply the LEED for Homes rating system by walking through the phases and key decision points of a typical project. Engage with experienced LEED[®] Faculty[™] and other participants to work hands-on with LEED implementation strategies and rating system tools.

OBJECTIVES

- ✓ Communicate the unique aspects of LEED for Homes
- ✓ Apply the LEED for Homes assessment and verification tools
- ✓ Communicate the roles and responsibilities of various players in the LEED for Homes process
- ✓ Identify key green decisions throughout the process of earning LEED for Homes certification

FACULTY

Taught by USGBC-trained faculty with real-world expertise and LEED project knowledge to share.
