

## **Board of Director Membership Application**

### **Student Intern**

(AES) is a 501(c)3 non-profit organization with a mission of "Working collaboratively to provide awareness, education, and access to sustainable building resources for individuals, experts, and leaders to encourage sustainable choices." AES trains and educates on topics such as green products, green building, LEED for Homes, energy efficiency, Indoor Air Quality, Energy Star V3, Green Communities and sustainable residential design. In 2005 AES was selected by US Green Building Council to serve as Michigan's LEED for Homes Provider. Since 2005 we have expanded our service area to include 14 states. AES also serves as an Enterprise Green Communities Foundation Technical Assistance Provider. AES supports builders, architects and developers in their efforts to offer sustainability to their clients building projects.

AES is looking to expand its Board of Directors by adding a Student Intern with a strong interest in learning about and promoting sustainability and efficiency throughout the region.
